

Athens Radio Club  
Executive Committee Meeting  
January 16, 2014

Present: Ed, N4ZRA, Phil, AF4TQ, Stan, WA4DYD, Nola, KG4OVO, James, KF4AQO, and Erwin, W4EEG.  
The meeting at the Two Story Coffee House was called to order at 7:10pm.

All of the Items on the e-mail distribution were discussed. Only action items are mentioned in this report.

Nola reported a balance of \$598 in the treasury. All funds in the repeater account were spent on repairs.

Stan appointed a repeater committee consisting of: James (Chair), Stan, Ed and Erwin.

Membership cards will be issued to 2013 ARC members. Phil will attempt to adapt current card logo to fit Avery laminated ID badges.

Nola will (has) distributed a budget for 2014.

ARC has been donated a HT and a Heath HW101 with microphone. It was decided that these could be passed on to new hams needing a radio to get started and when they had purchased their own radios they would be encouraged to pass them on to other new hams.

It was suggested that a meeting at which hams with new HTs could bring them and get help with programming followed by an on-air practice net be placed on the agenda.

Next meeting will be on the Digital NTS structure. Stan has speaker lined up. Stan also has a program on Op-Amps in the wings.

Adjourned 8:26pm.

Phil, AF4TQ  
Recording secretary
